

Corvedale Church of England (Aided) Primary School Pupil Premium Statement 2018-19

The Final Pupil Premium grant for the academic year 2018-19 was £11880

Main Barriers to Educational Achievement:

- Because the school's PP families are low income, school expenses – uniform, trips and extracurricular experiences are unattainable due to cost.
- A significant proportion of under attaining PP children are on the school's SEN Register.
- Emotional and social issues are prevalent among the school's PP children.

This money has been spent on those children in receipt of the grant in the following ways in order to narrow the gap between lower attaining children and their peers, provide resources and support for able learners to fully challenge themselves and to provide emotional wellbeing to raise self-esteem and confidence:

| How will the money be spent? | Approximate amount spent | Impact |
|------------------------------|--------------------------|--|
| TA support in the classrooms | £5750 | To provide children in receipt of PP with extra support; one to one support to provide precision teaching to accelerate progress for lower attaining, one to one and small group support to provide additional challenge for more able learners, preparation of additional resources |
| Costs of school and visits | £1200 | To enable PP children to participate in extracurricular activities, school trips and residential Children were supported to access trips including a residential enabling them to benefit trip from the rich learning experience and social engagement with peers |

| | | |
|--|-------|---|
| Instrumental music lessons in curricular subjects. | £750 | <p>To enable PP children who have shown a particular talent for music to access professional lessons to develop their talent and promote self-esteem.</p> <p>Through expressing themselves through art the children are using the skills needed for this discipline to support their improved performance in curricular subjects.</p> |
| Costs of new uniform | £300 | <p>To ensure PP children are not excluded from activities due to inadequate uniform and equipment. Provision of correct school uniform and equipment promotes self-esteem, pride and confidence in children. Three pupil premium children have been provided with school uniform, which has enabled them to access events without any loss of self-esteem or confidence</p> |
| Resources and equipment | £2500 | <p>To support and enhance PP children in all aspects of their education and emotional wellbeing.</p> |
| After School and holiday clubs | £900 | <p>To enable PP children to participate in extracurricular activities, school trips and residential holidays</p> <p>Accessing extra-curricular activities, supports the children to enjoy school and learn through having fun, promoting confidence and self-esteem.</p> |
