

Update from Mr Brough

It is the time of year again for our annual **Harvest Festival**, which is taking place in Diddlebury Church this coming **Wednesday 11th October** at **9.30am**. Parents/carers are welcome to come and watch, and as usual, the children are invited to bring in a donation of a non perishable item which will be taken to the food bank after the service. We are also on the look out for anyone who is willing to make a harvest loaf for the occasion. If you are able to help, we would be very grateful if you could please contact the school office for more information. Thank you.

There is a change to the usual afterschool sports clubs this week as there will be **NO NETBALL** or **ROWING** club this Tuesday 10th and Wednesday 11th October. Apologies for any inconvenience caused, the club will resume the following week.

As per last weeks newsletter; Harrison, a pupil in Class 2, was chosen to be part of the Big Hero 3 Campaign 2023, where he and two other children will benefit from a bionic arm by raising £16,000 collectively. Charitable trusts have given a head start as each arm is around £13,000. Although they have now reached the target, any extra raised goes towards the care packages and extra batteries etc and so they are continuing their fundraising effort. Together with the Corvedale School Association, we have decided to hold a **Sponsored Walk** on **Thursday 26th October** with all proceeds going towards Harrison's Bionic Arm Fund. Sponsor forms will be going home with children shortly.

We will also be circulating a T4U leaflet with children in the next few days, with information about donations for Christmas boxes we are hoping to put together in school over the coming weeks. Any donations will need to be in school by 24th November. Please contact the school office for more information.

I hope you all have a lovely weekend.

Headlice

Unfortunately, Headlice are still being reported across the school. This can be costly for parents who are having to re-treat children, and shampoos etc can also become less effective the more you use them. We would therefore like to point parents in the direction of bug busting kits and the old style wet combing methods, which are effective and cheaper in the long run. We would be grateful if you could please check your children weekly and request pupils with long hair to wear it tied up for school please.
