

Update from Mr Brough

It's been great to welcome everyone back into school after the very wet Easter break. We hope you all had an enjoyable time and look forward to the new term ahead of us.

Keep your eyes peeled for the individual class newsletters which we are hoping to email out to everyone at the beginning of next week. This should keep you all in the loop about what's happening in each class over the summer term, such as topics, homework etc.

All pupils from year 2-6 should have received a letter regarding swimming lessons taking place on Tuesday afternoon's this term. You are able to pay for these via Scopay weekly or in a lump sum. If you require any additional information please do not hesitate to contact the school office.

Letters have also gone out today to children in Class 3 regarding our upcoming trip to Manorbier, which we will also be sending out as an electronic copy via email. We would be very grateful if you could please look out for those and let us know if there is anything you would like to discuss. Again, payments can be made via Scopay either in a lump sum or via weekly instalments, however, please contact the school office for more information.

We have been asked to remind parents to please be mindful of the speed limit on Mill Lane as you approach school. The road is narrow and there are many adults and children walking along the it, we would be grateful if you could please always be considerate and do not exceed the speed limits. Thank you for your cooperation on this matter.

Thank you.

Star of the Week!

House Heroes

This week was the turn of All Saints (While House) to go off to Millichope for forest school during House Activities. They all had a fabulous time creating their own shelters and splashing about in the mud and stream. St Peter's and St Michael's's Houses also had a lot of fun back at school working together to learn sign language and fun ways to remember how to tie your shoe laces. Well done everyone!
