

Newsletter — 16th June

Update from Mr Davda

We are very excited for the Year 5 and 6s to be heading off on their residential trip to Wilderhope Manor tomorrow. Although it is set to be very warm and hats, suncream and water are a must, we also ask that children please wear long trousers as some of the walking route can be a little overgrown. Please let us know if you have any other comments or queries and we look forward to a fun-filled couple of days.

Unfortunately, headlice have been reported across the school.

We would therefore like to point parents in the direction of
bug busting kits and the old style wet
combing methods, which are effective and
cheaper in the long run. We would be
grateful if you could please check your chil-
dren weekly and request pupils with long
hair to wear it tied up for school please.

You can find more information using the below links:

Nursery & Class 1

Don't forget tomorrow, Tuesday 17th June there is Forest School for Class 1 and Nursery, therefore we would be grateful if anyone who would like to bring their own waterproofs and wellington boots into school could please do so, however there is always school kit

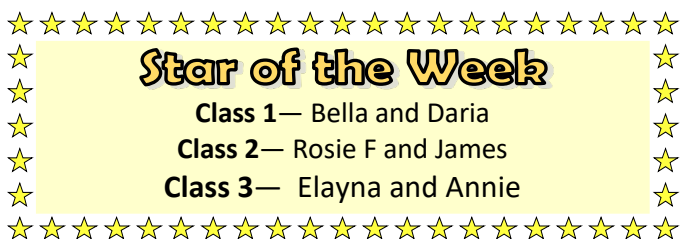

As the weather is set to be very hot this week, the nursery staff have asked if parents could please send children into nursery with their suncream already applied ready for the day and confirm this with leaders on drop off. This will then be reapplied throughout the day as much as possible for your assistance.

necessary. Thank you so much for your assistance.
