

Update from Mr Davda

Please note some new diary dates below—we have the **school photographer** coming in around **9.30am** next **Thursday 26th September** to take individual and sibling photos. We would be grateful if you could please notify the school office if you would like any siblings who do not currently attend Corvedale CE Primary School and Nursery to be included in the school photographs so that we can arrange a suitable time slot.

The children will also be taking part in the annual **Harvest Festival** church service at **9.30am** on **Wednesday 16th October** at Diddlebury Church. Parents, carers and family are welcome to join us in church for this special event.

Finally, we would be grateful if parents of children in school and nursery could please contact the school office either via telephone or email to advise of any absences. This needs to be done on every day of an absence before 10am please.

I hope you all have a very enjoyable weekend, and look forward to seeing you back in school on Monday.

Corvedale Early Years - Autumn Term

Another lovely week in nursery and we thank you for all your help and support making it so positive. We especially appreciate all the helpful communication regarding all aspects of nursery life especially when you are letting us know about

anything that may impact on your children. Linked to this, please can we ask you to contact the school via the office by either phoning or emailing if your child can not attend or you have any changes in information as this helps us to have a clear overview of what is happening. Please **do not** send these important messages to the WhatsApp group or to individual staff and especially the previous Facebook page which we no longer have access to.

Due to the structural and staffing changes we have been reviewing our use of our Tapestry online communication platform and I do apologise for this delay. A big thank you to all the parents who have helped us with feedback on what you would like to see that is important to you and manageable for the staff. We will begin to roll out daily snapshots of what has been happening in each group with a weekly individual set of photos for your child. Please continue to give us feedback either face to face or if you wish via Tapestry.

Have a great weekend and thank you again for all your friendly support.

Susan Rook

★ Star of the Week ★

Class 1: Ellie and Laurie

Class 2: Tomas and Alana-Rose

Class 3: Harry P and Eduardo
