

Update from Mr Davda

We are currently still experiencing some problems with our Scopay payment system—although Afterschool Club, Breakfast Club and Nursery are being updated as usual, we have been unable to update the dinners since last Tuesday 4th March. We appreciate your understanding whilst we try to resolve this, and also do not want anyone to have a sudden dinner bill they did not expect—therefore if you require an invoice in the meantime, we would be grateful if you could request this via the school office please. This could then be paid in cash or via BACS transfer.

The Year 6's had a wonderful time on Monday and Tuesday of this week taking part in their level 2 Bikeability training. This involved some on-site skills work and then a very local off-site excursion to put what they had learnt into practice. Great job by all!

Just a quick reminder that we have **House Activities** this coming **Thursday 20th March** so please can all children bring their waterproofs and wellington boots into school.

We then have **Comic Relief (Red Nose Day)** on **Friday 21st March**—the School Council have made fundraising arrangements for the day. So students are invited to pay £1.00 to wear their pyjamas for the day and we are asking for donations of cakes to be sold in a 'cake sale'. Cakes will be 50p each with children allowed to bring in up to £2.00 to spend. Please see the School Council's fantastic poster attached for more information!

Finally, the following week we have our Celebration Day lunches. Hopefully anyone who would like to join us for this has now handed in their order forms, if not we would be grateful if you could do so ASAP so that Heather in the kitchen is able to make the necessary preparations. Also, if you have yet to make payment for this, please could you do so. If you are struggling to make payments on Scopay, we also accept payments via BACS or cash as mentioned above. If you require any additional information, please do not hesitate to contact us.

I hope you all have a wonderful weekend.

Seedpips!

What a fantastic session this week with class 2. The children all gained a lot from it. It was a great end to our three sessions with class 2. We planted out into the raised beds the potatoes that were chitted and onions sowed by class one. Additionally, our strawberry bed was dug over and replanted, and to finish we created delightful spring posies for taking home. Now, Class 3 will be spending the next few sessions with us helping to make our school garden grow!

So far this season, our green fingered children have already sown and grown seedlings/plants of broad beans, peas, sweet peas, lettuce, squash, chillies, tomatoes, cucumbers!

YOU NAME THEM

Help us name Shrewsbury's new beavers!

Beavers have returned to Shrewsbury for the first time in over 400 years. A pair of Eurasian beavers have been released at the Old River Bed nature reserve.

Choose your #1 name for Mr and Mrs Beaver, as a school or class, and then have a school staff member submit these on our website!

Shropshire Wildlife Trust will collate all the submissions and have them judged by beaver experts. The final 4 suggestions will then go to a public vote on social media!

Closing date:
Tuesday 18th March 2025

Link to submit names has been sent via email to school contacts.

Name the Beavers Competition!

Shropshire Wildlife Trust are calling on all local schools to help name Shrewsbury's Beavers.

In February, two beavers made the journey from Scotland to their new home in Shrewsbury's Old River Bed Nature Reserve But they need names.

Shropshire Wildlife Trust and Shrewsbury Town Council are inviting local schools to pick the perfect names for Mr and Mrs Beaver.

If you think you know the perfect names, please jot your ideas down and hand them into the school office. We will then be selecting the best names to be put forward as Corvedale CE Primary School and Nursery's entry.

The deadline is **Tuesday 18th March** so get your thinking caps on and drop your best beaver name ideas to us asap!
