Update from Mrs Rook

What a week our amazing Year 6's have had. Every single one of them has shown incredible **focus, determination, and resilience** during the SATs, and we couldn't be prouder of the way they have carried themselves. Tests can feel big, but they have proved they are even bigger. They have supported each other, stayed calm, and gave their very best and that deserves celebrating. A letter will be going out to parents of these superstars with details on how we plan to do this!

As per the letter sent home from school today, we have been notified that Corvedale CofE Primary School will have a **SIAMS** inspector in school on Wednesday 20th May. A SIAMS inspection is an opportunity to highlight the impact that the school's Christian Vision has on the flourishing of the whole school community.

We have received notice from National Grid that the road at Aston Munslow will be closed next week. Not only will this cause issue for many parents/carers, it also means the school bus that travels this route is having to make a **temporary new bus timetable**. This has been emailed out to all effected parents/carers, however, if you would like more information, please do not hesitate to contact us.

Just a few reminders for next week—we have Class and Whole **school photos** on Monday morning. Also as previously mentioned there will be no Stay and Play session in nursery on Friday 22nd May, however, this will be resuming after half term, more details to follow.

I hope you all have a lovely weekend!

Star of the Week:

Robins –Olivia P and Arthur

Kingfishers –Henry J and Darcey

Owls– All the year 6 students

Special Star awarded by Mrs Rook—
All of our wonderful year 6's.

Job Opportunity

We are looking for someone to come and work with us here at Corvedale, leading our Afterschool Club. If you are interested or would like more information, please contact Mrs. Rook or the school

17.07.26	Last Day of Term

RE Workshops

Oaks, Robins, Kingfishers and Owls have enjoyed class RE workshops today. Cathy from RE on Demand filled the hall with artefacts for the children to explore, sharing stories and facts from world religions in a child-friendly and engaging way. The children have really enjoyed this enrichment opportunity.

Seedpips!

This week our wonderful Seedpips team have been busy doing willow weaving and planting up pots for the school entrance. They also sowed some fast growing crops and individual spuds in buckets. We can't wait to watch them grow!

STARS AND PLANETS

Monday 25th - Friday 29th May

Get ready for an out-of-this-world adventure during May Half Term!

Create your own constellations, make a personal tin can planetarium and learn how different cultures have seen the patterns in the stars. Discover the distance to the nearest stars related to your age. Walk the distance between the sun and the earth and learn how things weigh differently on each planet and more.

£5 per accompanied 4-11 year old
