### Update From Mrs Rook

We have enjoyed two fantastic trips recently, with Owls class visiting the Discovery Centre and Kingfishers Class visiting Ludlow Castle.

At the Discovery Centre, the children took part in activities linked to their topic on rivers. They enjoyed a tour of the river, learning about both the historical and current riverbeds, and carried out an experiment to investigate river flow. In the afternoon, they took part in community based activities volunteering to help maintain the willow maze, using weaving techniques to thicken the hedges. The children have been equally engaged in their follow-up work back in school, producing some beautifully presented pieces.

At Ludlow Castle, the children had a tour of the castle with Lady Caroline, learning all about the very first Norman castle built by Walter de Lacy and what life would have been like for the people in the castle then. This included looking at a garderobe and finding out what a gong farmer did! Then they saw the great hall and buildings that came later, learning about Roger Mortimer and his great feasts. After lunch they spent time exploring the castle and going all the way to the top of the great tower - it was a little windy up there! Kingfishers were a credit to the school with their great listening and respectful behaviour.

A big thank you to our PTA who helped to fund these trips making these experiences possible for our children.

### DATES FOR YOUR DIARY:

- **23<sup>rd</sup> Sep-** Year 5 & 6 Girls Football at Church Stretton School
- **28th/29th Sep-** Year 5 & 6 at Oaker Wood
- **29<sup>th</sup> Sep-** Year 3 & 4 Cross Country at Carding Mill Valley

### Star of the Week

**Robins:**  
Rowan and Henry E

**Kingfishers:**  
Sophia and Leon
