

Love God Love Learning Love Life

Update From Mrs Rook

Our Year 5 and 6 pupils have taken part in cross country at Carding Mill Valley this week.

Our students were fantastic ambassadors for the school, showing kindness, encouragement and excellent sportsmanship as they cheered each other on and celebrated one another's successes.

A special congratulations to Penny, who achieved an impressive 3rd place in her race. We are incredibly proud of all the children for their enthusiasm, determination and positive attitude. Well done, everyone!

It was wonderful to see so many members of our school and wider community taking part in Messy Church this week, making it a fun, welcoming and memorable occasion for everyone involved.

We want to say a huge thank you to our parent volunteers Wendy Richards, who runs our netball club on a Wednesday, and Tom Bird, who runs our football club on a Thursday. Their time, dedication and enthusiasm provide our children with fantastic opportunities to develop their skills, stay active and enjoy participating in team sports.

I hope you all have a lovely weekend.

Star of the Week

Robins: Delia and Mary

Kingfishers: Tomas P and Skye

Owls: Penny P and Henry

Newsletter- 9th October

DATES FOR YOUR DIARY:

- **13th Oct:** Skipping Ninja Workshop in school - see poster attached

WHAT IT IS

Community 'Com' Networks are online groups involved in child sexual abuse, cybercrime and offline violence. However, not all cases involve all three.

The **majority of those involved are children** under the age of 18.

Perpetrators may target children who are discussing topics online such as mental health disorders, neurodiversity or self-harm but they are active on virtually all social media and online gaming platforms. Discord and Telegram are particularly popular.

The communities share extreme material which may include:

- Child sexual abuse
- Violence and gore
- Animal abuse or torture
- Misogynistic and 'incel' beliefs
- Extreme/violent pornography
- Racist and occultist materials
- Hacking tools and exploits

HOW TO GET SUPPORT

Any concerns should be reported to one of the following for **safeguarding and diversion support; reference "Operation Driftglen"**:

- Local police forces call '101' (non-emergency)
- School safeguarding lead (DSL)
- Local social services
- Crimestoppers 0800 555 111 (anonymous)
- **Cyber Prevent/NCA/NCSC** and or **CT Prevent**

INDICATIONS OF CONCERN

The following behaviours are indicators that a young person **may be involved in** an abusive relationship with a Com group:

- Self-harm (cutting letters/symbols is of particular note)
- Numbers, letters, symbols written in blood on walls
- Interest in extreme themes
- Disengaging in education
- Obsession with new online friends
- Unexplained injuries to pets or siblings
- Unexplained money or gifts

CYBER CHOICES

KNOW THEIR DIGITAL WORLD

Education and awareness is key to our intervention work. There is no age limit to who we support.

WHO ARE WE?

The Cyber Prevent Team delivers the national Cyber Choices Programme, helping young people make safe, responsible, and legal choices online. Through education on cyber law, including the Computer Misuse Act, we support informed decision-making and raise awareness of the consequences of cyber crime.

We also encourage positive cyber opportunities by promoting skills development, training, and future education and career pathways, helping to prevent young people from being involved in cyber criminality.

on the 28th July 2026

Visit our website

OR

WHAT DO WE DO?

This programme is aimed at individuals who are at risk of, or on the cusp of, committing cyber-dependent crimes.

Cyber dependant crimes are offences that can only be committed with technology:

- Hacking
- Cheating/Modding online games
- Breaking IT rules
- DDoS or DoS - tools to impair systems and services
- Unauthorised access to computers, phones, networks, and devices
